Prayer Ministries - Without unceasing prayer and diligent watching, we are in danger of growing careless and deviating from the right path. The adversary seeks continually to obstruct the way to the mercy-seat, that we may not by earnest supplication and faith obtain grace and power to resist temptation. (Review and Herald, December 8, 1904). Please join us for Prayer Meeting each Tuesday Night @ 7 :00.

May 19th we are planning a work bee at the church. There have been some lofty goals set for that day. We are planning to clean up the outside grounds. Would love to have at least 10 people outside. Also we want to replace the fascia board on the front of the building that is rotted. We have been working on the kitchen and fellowship hall and class rooms downstairs and are at the painting stage. That being said it would be great to have a dozen or more people inside. We have to paint ceilings, walls, and seal the entire floor. Please sign up today as a sheet is being passed around. It would be so nice to have these projects finished up before our schools graduation program on Wednesday May 29th. when we could have more guests at our church and school.. YES WE WILL FEED YOU at the work bee.
